

**NOTICE OF PROPOSED WATER POLLUTION CONTROL PERMIT
FOR THE PEDESTRIAN FACILITIES AND ADA COMPLIANCE
AT VARIOUS LOCATIONS ON HAWAII
ISLAND OF HAWAII, HAWAII**

NPDES PERMIT NO. HI S000033

04-CW-PW-24

September 2, 2004

The State Department of Health ("DOH"), tentatively proposes to issue a National Pollutant Discharge Elimination System ("NPDES") permit to discharge storm water runoff from the Pedestrian Facilities and ADA Compliance at Various Locations on Hawaii ("Project") to receiving State waters, subject to special conditions to:

**DEPARTMENT OF TRANSPORTATION, HIGHWAYS DIVISION
869 PUNCHBOWL STREET
HONOLULU, HAWAII 96813**

The proposed draft permit will expire on **December 31, 2006**.

The proposed Project involves the installation of 21 curb ramps to ensure compliance with provisions of the Americans with Disabilities Act (ADA). All work for the project will be performed withing the State right-of-way.

Construction of each curb ramp will typically last approximately three (3) days and involve the following:

1. Demolish and remove existing curb ramps, sidewalks, pavement markings, and striping.
2. Install new concrete curb ramps and sidewalks.
3. Adjust catch basins, utility structures, striping, and signage.
4. Repave strip of asphalt concrete fronting the curb ramp to finish grade.

Storm water run-off associated with construction activities from the Project is permitted to discharge to the following discharge points after implementation of Best Management Practices:

Receiving State Waters	Classification	Latitude	Longitude
No Name Stream	Inland, Class 2	19°03'40"N	155°35'02"W
Keauhou Bay	Marine Class AA and Embayment	19°33'35"N	155°57'42"W
Kailua Bay	Marine Class AA and Embayment	19°03'40"N	155°35'02"W

The No Name Stream is classified by the DOH as Class 2, Inland Water. The objective of Class 2 waters is to protect their use for recreational purposes, the support and propagation of aquatic life, agriculture and industrial water supplies, shipping, and navigation.

Keauhou Bay and Kailua Bay are classified by the DOH as Class AA, Marine Water for Embayment. The objective of Class AA waters is to remain in their natural state as nearly as possible with an absolute minimum of pollution from any human-caused source.

Persons wishing to comment upon or object to the proposed NPDES permit or to request a public hearing, should submit their comments or requests in writing no later than 30 days after the date of this notice, either in person or by mail, to:

Office Address:

Clean Water Branch
Environmental Management Division
State Department of Health
919 Ala Moana Boulevard
Room 301
Honolulu, HI 96814-4920

Mailing Address:

Honolulu, HI 96801-3378

Copies of the proposed draft permit, and other information are available for public inspection, Monday through Friday (excluding holidays) from 7:45 a.m. until 4:15 p.m., at the DOH office address shown above, and at the Hawaii District Health Offices located at 1582 Kamehameha Avenue, Hilo, HI 96720, and at the Keakealani Building, 79-1020 Haukapila Street, Room 109, Kealahou, HI 96750. Copies may be bought. The draft permit and fact sheet are also available on the internet at <http://www.state.hi.us/doh/eh/cwb/pubntcs/index.html>. For more information or if you have special needs due to disability that will aid you in inspecting and/or commenting on the draft permit and related information, please contact Mr. Alec Wong, Supervisor of the Engineering Section, Clean Water Branch, at the above address or (808) 586-4309 (Voice) at least seven (7) days before the comment deadline. For those who use a TTY/TDD, please call through Verizon-Hawaii Telephone Relay Service, at 1-711 or (808) 643-8822.

All comments and requests received on time will be considered. If DOH determines that there is significant public interest, a public hearing may be held after at least 30 days of public notice.

If DOH's position is substantially unchanged after considering all timely written comments and all oral comments at any public hearing that may be held, then the DOH will issue the NPDES permit and this action will be final.

Please notify anyone you know who would be interested in this matter.

Chiyome Leinaala Fukino, M. D.
Director of Health
